

# 19<sup>th</sup> Annual International Proteomics Conference

“Proteomics for Precision Medicine”

March 28 (Thu) - 29 (Fri), 2019

Global Education Center for Engineers,  
Seoul National University

## Plenary Speakers

**Stephen Pennington**  
University College Dublin

**Harald Mischak**  
Mosaiques Diagnostics

**David James**  
University of Sydney

**Jong Shin Yoo**  
Korea Basic Science Institute

## Symposia

- Protein Modification
- Proteins in Pathology
- Biomarkers for Diseases
- Omics Research in Aging
- Clinical Proteomics
- Young Scientists
- Exploring the Unknown Proteins
- Antibody & Biologics
- Multi-omics
- Proteogenomics

Pre-registration and abstract submission by  
Feb 28 (Thu), 2019
